The PEA is hosting 25 membership meetings in various locations across the province to talk with members about collective bargaining. Our 13th Master Agreement with the Province expires on March 31, 2010.

Membership consultation is vital to our collective bargaining preparations. These membership meetings are your opportunity to ask questions about the bargaining process, the collective agreement, and to have your say on bargaining priorities in person.

Please mark your calendar and make it a priority to attend the meeting being hosted in your town or city. Help your Bargaining Committee to understand your concerns and priorities by attending the meeting hosted in your region this October.

Every member will have an opportunity to identify bargaining concerns and priorities through a bargaining survey. The survey will be made available on-line in early October.

For more information, please contact Executive Director Jodi Jensen (jjensen@pea.org).
