The Government Licensed Professionals Bargaining Survey is now available online.

Members may access the Bargaining Survey through the PEA website or directly through the following link:

In order to effectively represent you and your interests, the Bargaining Committee needs all members to participate in identifying priorities and setting the bargaining agenda.

Please take a few moments to complete the Bargaining Survey before Wednesday, October 28, 2009. The survey results are confidential, and will be reported to the Bargaining Committee.

Membership consultation meetings are continuing in communities throughout the province. These meetings are your opportunity to ask questions about the bargaining process, the collective agreement, and to have your say on bargaining priorities. The meeting schedule may be found on our website at either of these site addresses:
