

March 1, 2010

Your Government Licensed Professionals Bargaining Committee returned to the bargaining table with representatives of the Province on Wednesday, February 24.

Following a marathon bargaining session that stretched well into the evening of Friday, February 26, the Parties reached a tentative agreement to extend the 13th Master Agreement for two years to March 31, 2012.

Your Bargaining Committee is recommending that members ratify the agreement. We are working to develop an information package and commit to providing members with full details of the settlement before the end of the week.
