Call for volunteers - Market Evaluation Committee

Please consider volunteering for a joint union-management committee to assist in the production of market evaluations for Law Society Lawyer position classifications. The MEC was agreed to in the most recent round of collective bargaining and is detailed in the resulting Memorandum of Agreement. The Memorandum is available at http://www.pea.org/media/documents/LSL_MOA_Collective_Agreement_2009.pdf. The objective is to ensure reliable market salary information is available to both parties.

The MEC will work toward agreement on accurate position profiles and relevant market comparisons and will discuss with the Law Society selection of a human resources consultancy group to conduct the market evaluation. The human resources consultancy group will provide its analysis and market evaluation report to both parties. The MEC will aim to complete its work by August 31, 2010.

All members are encouraged to consider volunteering for this very interesting opportunity. Experience with job evaluations would be valuable.

If you are interested in volunteering for this position, or to obtain more information, please contact one of the Executive Committee by no later than January 19, 2010.

Carmel Wiseman (cwiseman@lsbc.org)
Jack Olsen (jolsen@lsbc.org)
Lance Cooke (lcooke@lsbc.org)
