Summer Lunch

The St Margaret's School Chapter is hosting a lunch for all chapter members at St Margaret's School on Monday June 29. This social occasion follows the eleven meetings scheduled for the PEA to consult with members at the School. The location of the lunch will be determined closer to the event, based on expected weather conditions. The meeting will be a social occasion with only brief comments at the beginning.

The PEA and the School had several discussions about the lunch. As members know, the School will be hosting a lunch for all employees, including administration staff, the following day on the last day of the academic year. Some PEA members will have to work during that School event and so will be unable to attend.

The School encouraged the PEA to have this additional lunch for St Margaret's School Chapter members as a way for all Chapter members to socialize. As the lunch will be brought in to the School, kitchen and laundry members will be able to participate along with the range of other members.

During the PEA consultation process it became apparent that some PEA members have never met other PEA members. This lunch will provide people with an informal opportunity to meet other chapter members.

Please take this opportunity to meet with colleagues and coworkers at an informal social event.
