## **HSP Chapter Pharmacy Temporary Market Adjustment Memo**

January 17, 2012

On January 12, 2012 the PEA sent a memo to HSP Chapter Pharmacists informing them of the Health Employer Association of British Columbia's (HEABC) plan to eliminate the 9 to 14 per cent market adjustment for Pharmacists effective April 1, 2012.

As indicated in the previous memo, the unions represented by the Health Science Professionals Bargaining Association (HSPBA) are not in agreement with this change. As a result the HSPBA filed a policy grievance on January 16, 2012 in regards to the elimination of the market adjustment for Pharmacists and has requested to meet with the HEABC on January 23, 24 or 25 2012.

The PEA will provide its HSP Chapter Pharmacists with updates as more information becomes available.
